Subject: Cultural Resources Concurrence Request, Desert Hawk Gold Corporation, Kiewit Project, M/045/0078, Tooele County, Utah

Dear Ms. Hunsaker:

The Division of Oil, Gas and Mining has received a proposal from Desert Hawk Gold Corporation to conduct large mining operations in Section 19, Township 8 North, Range 17 West, and Section 25, Township 8 North, Range 18 West, SLM, Tooele County, Utah. Some of the proposed disturbance is on land managed by the Bureau of Land Management and some is on patented land. Enclosed with this letter are copies of the cultural resources survey report and a location map provided by the operator.

Six sites were found on patented land and one on BLM land, and they were all recommended by the consultant as being not eligible for listing in the National Register of Historic Places. The BLM should be contacting you about the site on BLM land.

The Division of Oil, Gas and Mining has determined that there will be **No Adverse Effects** to significant cultural resources, and we seek your concurrence with this determination.

Thank you for your assistance. Please call me at 801-538-5261 if you have questions about this request.

Sincerely,

Paul B. Baker  
Minerals Program Manager
